CITY OF WODONGA VIC

Draft Council Plan - Adjusted 2023

ENGAGEMENT SNAPSHOT

FORMAL SUBMISSIONS

  I support the Draft ammendments to continue advocacy for a green site hospital with monitoring and information provided to the community of expenditure involved.
  A well-planned and accessible lookout facility for community members and tourists to the city has been neglected - Huon Hill is the main site which offers spectacular views of our city and surrounds. Whytes Road needs sealing to make a one way way circular access road and planting is required to beautify the area. This is an often overlooked priority but one of the most important tourism spots for the city and needs to be a focussed inclusion in the Budget Draft Plan.

  Community Centres and the services that they provide to the local communities, especially with the Defence Force , Migrants and established residents. Without the proper services being provided to the community, investment in things like Logic won't ever be enough as the constituents won't stay and will choose to go elsewhere.
