

Birallee Park Recreation and Play Node Design

ENGAGEMENT SNAPSHOT

Birallee Park Recreation and Play Node Design

WHEN: Wednesday, August 23 to Tuesday, September 12

ENGAGEMENT METHODS: To encourage residents to get involved, we promoted the opportunity for people to have their say through our communication channels, including public notices, emails, social media, a have your say page on makewodongayours.com.au and a letterbox drop. There was also a Have Your Say Pop-Up 3.30pm to 5.30pm Wednesday, August 30 at Birallee Park.

ENGAGEMENT SNAPSHOT

FEEDBACK

People were asked to vote for the types of equipment they would prefer to see in each node.
There were 12 items to select from in the recreation node and 21 items to select from in the play node.
People were also given the opportunity to submit additional ideas for consideration.

Birallee Park Play Node

44 submissions voted for the equipment they would prefer in the play node.

The top four items were:
1. Nature play - 20 votes (9.76%)
2. Seating - 18 votes (8.78%)
3. 3 bay swing - 17 votes (8.29%)
4. Medium multiplay - 15 votes (7.32%)

Birallee Park Recreation Node

29 submissions voted for the equipment they would prefer in the play node.

The top four items were:
1. Ninja course (junior) - 16 votes (16.33%)
2. Seating - 16 votes (16.33%)
3. Ninja course (senior) - 14 votes (14.29%)
4. Half court netball/basketball - 14 votes (14.29%)

OTHER IDEAS

- A bike path for children, with a space to go each direction. with roundabouts, zebra crossings, stop signs, mini traffic lights and everything they need to learn road rules in a safe area (2 submissions)
- A flat path for kids to ride on who aren't capable of using the pump track yet, so they can be included. Or even just little bumps.
- Put the accessible play items IN the playground and not off to the side. Inclusion not integration!
- Speed retardants will be required around this area as too often Marshall and Silva are used as speedways, so kids that walk there protected.
- Equipment with ramps and stairs for accessibility. Equipment designed for toddlers like at Rathmines Rd Reserve Playground, Hawthorn East.
- How about a lagoon? Dreaming but also serious, this would be great for community and visitors! There's around 10 free entry lagoons in QLD, but they're bit too far and flights too expensive to frequent often unfortunately.
- Have a look at darwin NT Esplanade play space for a great example of a high use area for all ages. Centred around a huge slide and climbing Accessible toilets (two submissions)
- Add additional bins at the bus stop near the pump track
- With the multi-play, make all slide accessible by all ages!
- BMX track - eg https://brisbanekids.com.au/darra-bmx-park/
- Also a foot path along Marshall St , lots of families like to go on bike rides around the block
- Install the missing piece of concrete footpath nth of Silva Drv on east side of Marshall St
- Wheelchair accessible fortress
- More fitness equipment on a pathway so a circuit can be done.
- Musical play (like at oddies creek)
- Hop scotch / painted ground games
- Please add shade to the seating area
- Include scooter elements in skate areas
- Handball courts and hopscotch
- Extend Emerald oval, to make it a full size oval.
- Bike repair tool post
- A splash park, like Bright or Tocumwal
